Welcome to the latest issue of NGRA News keeping you up to date with local issues in your neighbourhood.

### Love Norbury Day

Held on Saturday 11<sup>th</sup> June, Love Norbury Day was a fun-filled event enjoyed by the whole community. Her Majesty the Queen's 90<sup>th</sup> Birthday and all things Norbury were celebrated.

The run up to the event saw trees and street furniture decorated in red, white and blue by the Norbury Knitters. Local businesses joined in the festivities, decorating their shop windows, donating fabulous raffle prizes and providing free tasters and special treats to residents.

There was some great live music, a stilt walker, balloon making, face painting, a raffle and giveaways. Lots of local residents came along to join in the fun. People were dancing in the street despite the huge downpour during the last hour of the event - and cars driving along London Road joined in, too, by tooting their horns as they drove past. It was a great atmosphere!

All five Residents Associations signed up new members and we would like to say a big "WELCOME" to all our new Norbury Green Residents' Association members.

## **Norbury CLEAN-UP Day**

**Saturday 12<sup>th</sup> November - 11am to 3pm**

Litter and flyposting is spoiling Norbury.

Our high street, with its great restaurants and services, is riddled with seedy message stickers and pavement grime; our lovely trees, bushes and open spaces are being used for dumping beer cans, bottles and more.

**Now is your chance to do something about it!**

The Norbury Residents' Associations, in association with Croydon Council, have organised a street cleaning day on Saturday, 12<sup>th</sup> November.

If you can give a few hours of your time to put the pride and the 'clean' back into Norbury please email Paul Cowling (NVRA): [jpcowling@hotmail.co.uk](mailto:jpcowling@hotmail.co.uk)

**All equipment will be provided.**

**We just need you!!!**

# the big lunch

an eden project

We were disappointed to have to cancel The Big Lunch on 12<sup>th</sup> June – and with such short notice – due to the relentless rain. We had hoped to rearrange it for a date in July or August but this did not prove feasible so we will try again next year. The date has not yet been announced but we will let you know when it is and hopefully the sun will shine on our 2017 Big Lunch.

## Urban Foxes

We are aware that whilst some will find foxes adorable, furry, cuddly creatures, others see them as a vermin and a menace. Whichever side of the argument you are on there is no doubt that they spread devastation around our streets with food waste bins upset and rubbish bags split open strewn their contents across the pavements.

We have received several complaints about some residents feeding the foxes, in particular with eggs whose shells they leave around the streets and gardens or which they bury for gardeners to find after they have gone rotten when digging the garden. A most unpleasant experience!

Our last issue made a plea for residents to keep the stretch of pavement outside their property clean and tidy and many people have responded to this making for a much more pleasant environment for all to share.

Can we now please ask that black sacks are not left out overnight for the foxes to scavenge and also that you please use the locking handle on your food waste bin so that, if it is knocked over, the contents will not spill out. Thank you!
