Front Garden Competition

The winner of this year's Front Garden Competition was 8 Ena Road for their lovely colourful spring flower display.

Second place went to 154 Northborough Road for best use of a small space and Third prize to 85 Isham Road for balance and colour.

Help keep your Neighbourhood Tidy

We all want to live in a place that looks clean and tidy. We have had a lot of very windy weather in recent weeks and this has meant that the contents of our recycling bins and other items of litter have been blowing round the streets. You can really help by keeping your front garden and the area in front of your home litter-free.

If we can each keep our own 'patch' tidy this will make for a much more pleasing environment for everyone.

Sam Jennings puts Norbury on the Map

Sam Jennings, who trades as Flower Girl London at Norbury Station, was chosen to make floral letters and décor for the launch of Channel 4's six-part comedy-drama 'Flowers' starring Olivia Colman and Julian Barratt.

Sam used hundreds of white chrysanthemums to create the letters and also made 150 test tube creations to hang off metal chains in the hallway as well as an additional 80 for guests to take away with them!

Sam really does provide flowers for all occasions! Find her in the ticket hall.

Security Matters

AT HOME: With the warmer weather upon us please be mindful of your home security. It only takes a few minutes for someone to access an unattended unlocked door. Also, please remember to close and lock all your windows and doors when the property is unattended, even if you are just popping out for a pint of milk.

GOING AWAY: If you are going to be away overnight it might also be useful to put a light on a timer switch to come on in the evening and go off around the time you would be going to bed.

VEHICLES: Make sure your vehicle is secure when leaving it parked on the street. It is easy to leave a window open in warm weather.

Our AGM was held in March

Our AGM was well attended and it was good to see some new faces – the ‘old’ ones are always welcome, of course!

The Association had 79 members in the year ended 31st March. We hope you will all renew your membership for the current year if you haven't already done so. And, of course, new members are always welcome – the more we have the more we represent when lobbying the Council and others.

After several years in the Chair, Ann McGillivray stood down at the meeting. I'm sure you will all agree that she has done a brilliant job and we send her HUGE thanks for her tireless efforts!

Ann will continue to be an invaluable member of the Committee.

We are grateful to our new Chair, Juliet Hayes, who has agreed to step into Ann's shoes and are pleased to welcome back Helen Toumazos who has returned to serve on the Committee after a few years' break. The full Committee is listed on the back page.

Residents were reminded about the Photograph Competition and urged to send in photographs of Norbury. Please try to look beyond the fly-tipping and find some positive images of our locality. Email to: norburygreen@yahoo.co.uk or post to: NGRA, 32 Semley Road, Norbury, SW16 4PH

We continue to raise matters with the Council and Transport for London in an effort to keep the streets tidy and make Norbury the best it can be.

We urge you to report any problems direct to them as well, either via their website at www.croydon.gov.uk/contact-us or by phone on 020 8726 6000, but if there are any particular issues you feel might be best dealt with by the Association please use the form on the website, email contact@norburygreen.co.uk, or phone 07864 538044.

Garden Waste Collections

You will be aware that, in line with many other Councils, green waste collections are no longer free in Croydon. If you haven't signed up for the new 'paid for' service but would like to, it's not too late, but you have to apply online at www.croydon.gov.uk. If you don't have access to a computer you can do this from the library. Prices are:

- £55/year for 140 litre bin service
- £60/year for 240 litre bin service
- £100/year for two 140 litre bin service
- £105/year for two 240 litre bin service

Collections are fortnightly from April to November.
